### Exclusive Back Glass Art

Each one of the 96 pinball titles brought to Skillshot FX via Pinball FX3 by Zen Studios features quality, consistent, never-before-seen [back glass art](#). High quality and literally one-of-a-kind.

## The Look

Home game rooms have never looked this good. Skillshot FX has been called "a playable work of art," with its modern, sleek Merapi wood grain finish, and 55" full HD playfield display monitor, with 32" full HD back glass monitor.

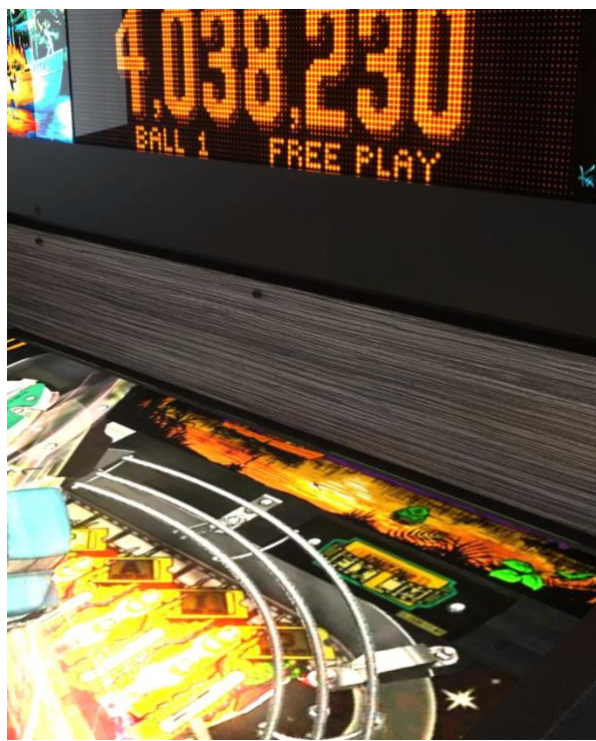

### The Feel

If you've ever played a classic pinball machine, you've *felt* the roll of the ball, the 'klack' of the flippers. Skillshot FX combines the versatility and limitlessness of digital play with **physical solenoids, arcade quality speakers, and real-time nudge detection** - all of which trick your brain into forgetting there's not a real pinball in play on the digital playfield.

### The Play

Skillshot FX is fully equipped with **96 unique pinball tables, powered by Pinball FX3 by Zen Studios**, including William's Pinball classics, Star Wars, Marvel, Universal, Fox, Bethesda, and more!

### The Experience

Equipped with Wi-Fi connectivity, Skillshot FX is built for **unlimited future software updates, multiplayer matchups, user generated tournaments, and league play**.\* Not big into online video games? No problem. The experience alone on your individual cabinet will keep each member of the family coming back for more, and vying for that top leaderboard spot.
