

Sundance Pool Table

7' or 8' - Starting at \$5,995

Maple with Old World stain

Oak with Late Harvest stain

One of the Cowboy Collection's most distinct designs, the Sundance speaks to the straight forward, no frills flavor of mid-century modern architecture.

One of the best-performing in its class and best of all – it's at a price anyone can afford!

CUSTOMIZE YOUR TABLE

Our custom build-to-order program allows you to choose from a wide variety of sizes, woods, finishes, trims, design options, and cloth. You can make a personal statement with your table. Or, coordinate it with the décor and style of your game room. Ask your retailer for a full presentation of the many custom options available.

COLOR YOUR WORLD...

When we say, we can customize your table, we mean it! Have a favorite sports team? Favorite color? Maybe take a walk on the "wild side"? Then Imaginative Finishes are for you!

Choose your table model, then choose your color or color combination. Whether it's for your alma mater, your motorcycle, or simply a theme game room, you can truly customize any table in your colors.
