

Skee-Ball Classic Alley

Starting at \$8,995

For that special touch of nostalgia, Skee-Ball classic provides its traditional gameplay in a 10-foot lane with an updated, yet classic look and feel of the original patented alley. This vintage-inspired look is perfect for any retro-style home game room. Bring home the original Skee-Ball alley found in arcades, carnivals, fairs, and boardwalks all around the world. To satisfy the authentic Skee-Ball® purists, it also has the front and side metal cages, the classic carnival arcade sounds, and simple point-scoring rules.

The free play button comes standard for the home products so you and your friends can continually play for high score!

GAME PLAY:

Arcade Style Rules

Each player rolls 9 balls up the ramp into the targets. Watch the LED Dot Matrix Display to keep track of your score. Highest score wins!

High-fives, fist bumps, and bragging rights are encouraged!

Alternative Game Options

Hundo Rally: Players aim only for “hundo” targets

No Look-Skee: Players roll 9 balls blindfolded

Around the World: Players aim for 10-20-30-40-50-100-100-10- and 20 target

Black Out: Players must hit each target once
