The Dartboard cabinet is manufactured in a beautiful Dark Espresso finish, creating an elegant focus piece.

Product Description

This classic dartboard cabinet features hand-crafted details around the rim of the cabinet bringing attention to the beauty of the piece while the inside opens to reveal a completely functional cabinet. It features two chalkboards and space to hold your darts on each door.

To place bullseye at 5'8" from floor, hang the top of the cleat 6' 3-3/4" from floor. Place the dartboard in cabinet and attach, making sure height is 5' 8" from floor, this should place the dart board in the center of the dart cabinet. If you need dartboard higher or lower due to design of dartboard adjust height accordingly.
