pb&j Multicade cabinets are commercial quality and CNC cut for precision. They are assembled with hardwood dowels and cleats, making them one of the most durable options on the market. Our In-House graphic department offers several affordable options for wraps, including the ones pictured below.

Our Multi-Williams Multi-Arcade Games are like the original games you played at the arcade in the 80's, only these are packed with multiple classics! With 19 games to choose from, everyone will experience smiles, laughter and hours of FUN!*

The pb&j Multi-Williams Midway cabinet is also a great option with classic games such as Mario Brothers, Joust, and Defender.*
