

# NASCAR Racing Game

\$126.00

The Across the Board NASCAR Car Racing Game will have your adrenaline pumping as your racecar makes its way around a beautifully handcrafted oval race track! This game is perfect for any race car fan and will be a sure hit for that perfect gift or party.

Start your engines! To play the NASCAR Car Racing Game, line up the racecars at the starting gate, deal the cards and begin rolling the dice to disqualify your cars and start building your "pot". The remaining cars race to the finish line. Hold the winning car's card and you win!

The game board is a maple wood veneer playing surface built for longevity. Metal eyelets are inserted into each hole to protect the game for decades of entertainment. Breathe easy, the game is finished with an environmentally friendly water-based clear acrylic. Approximate dimensions are 15 1/2" x 28" x 3/4". Game weighs nearly 8 lbs.
