

# Wilson

Starting at \$6,999

The Wilson is a stunning, contemporary designed table with a unique rail system that sets this table apart & will enhance any entertaining area with its chic appearance.

### Table Construction

- One-piece metal support frame creates a solid platform for the slate
- Slate levelers are built onto the metal frame allowing the installer to level the slate with ease.
- Vertical Metal posts separate the top rail from the lower rail creating a channel for the balls.

### Cushion Rubbers

- Presidential's BCA approved K-66 profile cushion rubbers are used on all our tables.
- This superior quality cushion rubber results in one of the liveliest and most accurate rails in the industry.

### Materials

- Solid hardwood 7.75" wide rails
- Pre-assembled metal support beams
- Hardwood legs

### Slate

- 1 inch 3-piece K-pattern slate
- The slate is diamond honed to perfection to within ten-thousands of an inch
