

Rustic Dartboard Cabinet

Rustic Barndoor Gray Dartboard Cabinet

\$419.00

This dartboard cabinet features a rustic barndoor style made modern with a sophisticated gray finish that complements any game room. The unique barn-style doors create a unique yet subtle design and will complement the Silverton Billiard Table perfectly.

It adds a softer touch into your home and forms part of the Silverton Collection.

The Rustic dartboard cabinet is made of solid wood with barn-style door

Product Description

To place bullseye at 5'8" from floor, hang the top of the cleat 6' 3-3/4" from floor. Place the dartboard in cabinet and attach, making sure height is 5' 8" from floor, this should place the dart board in the center of the dart cabinet. If you need dartboard higher or lower due to design of dartboard adjust height accordingly.

Rustic Chocolate Dartboard Cabinet

\$419.00

Add a little elegance to your Gameroom with the Rustic Chocolate Dartboard Cabinet. This cabinet features a unique barn door style design which is accentuated by the beautiful dark chocolate finish. It adds a unique rustic feel to any game room and is the perfect addition for those who love a homey feeling.

The inside of this rustic cabinet has two chalkboards and space to hold your darts on each door. The cabinet is large enough to hold either a traditional round board or a larger electronic board. There is a cord hole in the sidewall of the cabinet.
