Professional grade performance just got better. The Tournament 3000 brings home all the features of the Tornado Platinum Tour Edition...except the coin mechanism. Featuring the upgrades that Tournament Players have asked for:

- Available in Platinum, Matte Black and Crimson Pro finishes.
- Thin-wall split Competition bearings for greater control and shot blocking.
- Patented Tornado men improved with sharper corners and increased cross section for better ball control and passing
- Tornado's patented split bearing design combines durability, function, and ease of replacement and removal for cleaning
- Color-keyed, super high grip, interchangeable handle system exclusive to Tornado
- Available in single-goalie configuration (3-man goalie standard)
- 3/4" Playfield, ramped beneath the laminate on single-goalie tables for a seamless look – no add-on ramps!
- Contemporary and rugged Stainless-steel laminate finish with end protectors and bold Tornado graphics
- Redesigned player "foot" allows more precise ball control with higher cross hatching and square sides
- Full-access hinged top
- Classic Style blonde-and-black goal and match counters
- Proudly built in Richland Hills TX, USA.

- Our cabinet design allows your table to be shipped nearly assembled for quick and easy set-up on location. 30 minutes from box to first game! Box #1
