

# Barnwood Timber Lodge

7' Starting at \$4,859

8' Starting at \$5,159

The Timber Lodge barnwood pool table will be the highlight of any rustic game room area. The Timber Lodge pool table is made from rough sawn pine timbers to replicate a barnwood look. The legs on this table are six-inch by six-inch solid rough sawn pine timbers. The body wrap is made from one-inch and two-inch rough sawn pine boards. The rails are constructed from six-inch by six-inch rough sawn pine timbers. The spotting points or sites are black one-inch square hand forged iron clevis doornails which give this table a western or ranch style. The Timber Lodge barnwood pool table is finished with a catalyzed lacquer to protect it for years to come. This rustic pool table is available in seven, eight and nine foot sizes.

Meets all Billiard Congress of America specifications

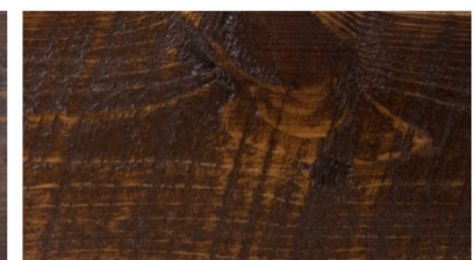

- 14 ply main beams and 7 ply side beams make up the inner structure of the body
