Table Construction

- The six-beam system creates a strong platform to support the slate
- Each beam measures 4" x 2.5"

Cushion Rubbers

- Presidential's BCA approved K-66 profile cushion rubbers are used on all our tables.
- This superior quality cushion rubber results in one of the liveliest and most accurate rails in the industry.

Materials

- Solid hardwood 6" wide rails
- Solid hardwood frame
- Solid hardwood legs

Slate

- 1 inch 3-piece K-pattern slate
- The slate is diamond honed to perfection to within ten-thousands of an inch

***Due to the natural variation in wood and the hand-applied, multi-step finishing processes the actual finish may vary from the table pictured. The finish may vary slightly from the other products in the collection due to the wood and finishing process.*
