Champion Shuffleboard revolutionized the industry in 1988 by developing the original "Lifetime Polymer" finish. This coating is applied directly over the Canadian Maple plank to provide a fantastic playing surface that NEVER requires re-finishing.

Designed not only for the player, but also with the operator in mind... our built-in handicap feature makes this a better game to play and speeds up the play time therefore creating more revenue.

Remember... We're not just manufacturers... We're also players (Shufflers)!

Specifications

- Playfield Size: 3" thick x 20" wide
- Cradle Lengths: 9' - 22' (22' tournament size)
- Width: 31" without scoring unit; 36" with scoring unit
- Height: 30" to the top of the playfield
- Weight: 50 lbs. per foot (approximate)

Standard Features

- Maple cradles and legs
- Polymer finish playfield (needs no resurfacing)
- We can match any stain
- Patented Handicap Scoring - Makes game play faster and allows players of different skill levels to play each other

Optional Features

- State-of-the-art electronics
- Set each game individually according to preferred time and money allotment
- Lights
- Pingate - Cam driven, battery backup. Prevents free play
- Custom woods available
- Customize with your logo

All games are measured from ends of cradles.
The playfield is always 16" less than the overall length.
