

FIRE STORM

Starting at \$6,599

Dynamo's new star comes home! Interactive LED lighting and a dramatically sculpted overhead design make Fire Storm the authentic finishing touch for that high-end home game room, or that location where coin operation is not a requirement but Dynamo durability is!

- Striking new overhead design adds to the visual pizzazz!!
- Adjustable game sounds, with speaker placed behind each goal end for maximum player enjoyment
- Interactive multi-color LED lighting, mounted under a durable polycarbonate three-piece Dynamo-logo shield set.
- The same cabinet construction and components as the Coin model table
- Patented "Dyna-Blast" blower system delivers fast, nonstop action
- UV coated playing surface and blacklight graphics for visual excitement
- Tournament-tested rails ensure accuracy and reliability
- Easy-to-read overhead LED scoring display
- Fun and exciting colors and graphics
- Smooth-corner top rails, powdercoated for durability
- Common components and electronics shared with other Dynamo tables makes for ease of service and fewer parts stocked.
- Simple programming, PCB easily accessed through side-mount service door.
- Impact-resistant laminate playfield – for long life and simple replacement.
- Proven long-life commercial-grade cabinet construction. A Dynamo table is an investment in quality.
- Safe rounded top-rail design – no corner protectors needed
- Trap door for leg storage during transport
- ETL and CE approved
- Time-tested Dyna-blast blower system for unparalleled game play action
- Infrared jam-proof scoring with improved goal ends to reduce jamming and down time.
- Blacklight reactive Flaming orange trim and graphics light up the room!
