

TIGER & BLACK CAT

Starting at \$2,799 for 88"

Starting at \$2,899 for 93"

Starting at \$2,999 for 101"

The classic Valley Tiger non-coin table. Able to stand up to the toughest environment, but still providing a tournament-quality play experience. Perfect for homes, game rooms and locations where coin play may not be a necessity; but durability, great looks and tournament quality play are a must. Other than the missing ball trap, cue separator and coin chute, Tiger offers the same play experience as our tournament-tested coin models!

- Solid aluminum slate support for structural integrity and a flat playing surface
- Available in 88", 93" and 101" sizes. Five bolt cushion rail system with dual density rubber for consistent play
- Solid one-piece imported slate
- Easily adjusted leg leveler allows one person with a standard wrench to level a table within minutes.
- One piece ball return chute eliminates stuck balls.
- Tapered corner and leg styling for an aggressive stance
- Dual-density cushion rubber for consistent banking – the same as used on our coin tables.
- Victorian Cherry laminate finish complements a variety of decors (Black Cat finish available)
- Tiger comes with Valley Teflon Ultra tournament green cloth (ask about additional colors)
- Black Cat comes with Valley Teflon Ultra burgundy cloth (ask about additional colors)
- Cues and balls accessory kit available
- Proudly built in Richland Hills, TX USA!
