- Three step painted light bar with three frosted amber glass light shades
- Rounded edge shades provide a finished look
- Shades have thick walled construction for longevity and maximum light diffusion

DS45 HJ Scott Lighting**\$332.99**

Oil-rubbed bronze finish decorative wrought iron light with 3 lipped bronze-glazed scavo glass shades and modern bar style design.

- HJ Scott's New Decorator Traditional lights feature the arching details and thick scrolls usually associated with classic black wrought iron, now in updated decorator finishes. Models are available in four contemporary color finishes with layered detail: Autumn Rustic (our most popular finish to date), Oil-rubbed Bronze, Tuscan Silver and Mocha Bliss.
- Each finish is created using HJ Scott's special three-step process that inlays layers of rich wood tones, earthy blacks and light highlights to create a finish that pairs beautifully with any wood tone. Put one of these lights over a cherry table, and watch the rich wood tones pop; over an oak table, the golden tones shine through; over dark tables, the blacks and silvers shine.
- H 8" W 52"

DS260 HJ Scott Lighting**\$349.99**

Oil-rubbed bronze with 3 lipped bronze-glazed scavo shades

DS120 HJ Scott Lighting**\$379.99**
